

MOCE

Series MIMO Omni Antenna

MOCE series Ceiling mount Omni directional MIMO antenna for in-building applications such as DAS providing MIMO performance for the complete frequency range from 698-960 MHz 1710-2700MHz and 3300-4000MH. Broadband Omni directional MIMO antenna for high-capacity venues like stadiums or campuses.

Part No.	MOCE-698-4000HHHH05i360A		
Frequency Range	698~960MHz	1710~2700MHz	3300-4000MHz
Gain	3.5dBi	4.0dBi	5.0dBi
Polarization	Linear x4		
VSWR	≤2.0:1		
Isolation	≥15dB	≥17dB	≥20dB
Power Rating	50 W		
Passive Intermodulation	≤-153 dBc (2x43dBm)		
Impedance	50Ω		
Connector	N-Female X4		
Operating Temperature	-30~+60°C		
Operating Humidity	5~95%		
Application	Indoor Use
